-

My interest

Interests:

- Open to any role, including lead, supporting, and experimental characters.
- Excited about collaborating on films, web series, theater, and other creative ventures.
- Interested in projects that challenge my skills and allow me to grow as an artist.

My interest

I am a very enthusiastic and captivating person who thrives on meaningful conversations and engaging experiences. I have a deep appreciation for music and love exploring different genres and artists—it’s something that inspires and energizes me. Acting has been my dream for as long as I can remember, and for the past two years, I’ve been dedicatedly working toward it by giving auditions and honing my craft. I find joy in connecting with people on a deeper level through conversation rather than superficial exchanges. I’m also an avid reader, drawn to books that expand my imagination and understanding of the world. My passion for storytelling and creative expression fuels my journey, and I bring this same energy into every aspect of my life.
